Convenience is now in session: Welcome, Midtown Middle School

Talk about A+ news. Midtown Middle School opens tomorrow, kicking off a happy new school year for kids — and the parents who drive them. Located right here in Nexton, this new middle school puts walking, biking and shorter drives on the syllabus for tweeners. (Just like Nexton Elementary School does for their younger siblings.) Nexton was delighted to host a special event for Midtown Middle School teachers on July 27, wishing them well for the year ahead. Same to you, kiddos.

HOME IS WHERE THE HELP IS

It's second home season, too

Change is also in the air for grownups. Snowbirds return to Nexton each year for our famously mild winters and Lowcountry-flavored homes that come with easy access to shops, eateries and year-round activities. No snow tires required.

THE GREAT MIGRATION

Half a world later...

What do Nexton and Kwajalein Atoll, an island in the South Pacific, have in common? Palm trees, obviously, but also how you can bike everywhere, say these recent transplants. See how the Potters discovered a new community and New Leaf home they adore.
