WHAT'S NEW AND WHY NOW

A NEW CHOICE IN HEALTHCARE

Have you heard? The Medical University of South Carolina broke ground on its Nexton campus on September 4. That means super-convenient access to MUSC's state-of-the-art facilities and high-quality providers is on the way. Look forward to 192,000 square feet of inpatient and outpatient services on 40 acres. Whew! Until it opens, Nexton residents can find an array of quality medical services in and around Nexton.

WORLD-CLASS WELLNESS

PICK A FLAVOR, ANY FLAVOR

It won't be easy at Dulce Churros Ice Cream + Cocktails, as the multi-name implies. Opening its third location soon at One Nexton, Dulce offers not only oodles of handcrafted ice cream choices, but a smorgasbord of sweets (beyond churros), along with coffee, cocktails and savories ranging from salads to crepes and burritos. Hot tip: book the tea party with your favorite fancy-loving kiddo.
